REFLECTION AND ANALYSIS:

Once you have completed the WebQuest, use the CultureGrams Database AND the information collected to write a 3/4 page analysis on how EACH of the FIVE THEMES OF GEOGRAPHY can be found within your STATE. Please provide at least 2 examples for EACH theme and make sure to include what part of each theme you are describing. Must use 1.25 inch margins, single spaced, Arial or Times New Romans and 12 point font ☺
