2015 Girls Soccer Tryouts Schedule and Directions

Players must have their completed physicals turned in to the Athletic Department prior to tryouts on March 2, 2015. You can download those forms from the Athletic page on the East web site. <http://wp.lps.org/ehsathletics> You will NOT be allowed to tryout without a physical formed on record in the athletic office.

Below you will find the assigned dates and times for each grade level. Do not report to a different time or session unless asked to do so by the coaching staff. Do not attend a different session "just to watch or observe".

Players should plan, and prepare for a tryout that may be indoors at Lincoln East on a gym floor, at Abbott Indoor Soccer Facility, or outside (weather permitting). This means that you will need indoor soccer or tennis shoes and cleats along with proper clothing to keep warm in the event we move outside. All players will wear shin guards the entire time they practice/train in our program. Players will provide their own shoes (indoor and outdoor), and shin guards (NOCHSE approved guards only) do not remove the "tag" or print on your shin guards that verify that you have approved guards. Numerous vendors sell these NOCSHE approved shin guards. Locally, Body Basics and Scheels have them in stock. Don't wait until the last minute to purchase them.

Players and parents, if at all possible, carpool to Abbott Indoor Sporting Complex, 7600 North 70th Street. Parents and Guardians will not have access to the try-out area. The field or training area is accessible to coaches and players only. Coaches, and Players will be allowed inside the training area, Parents, friends and relatives may wait in the reception area. Coordinate times with parents/players to ensure drop-off and pick-ups.

Not all the coaches know your name; therefore, players will be assigned various colored and numbered training bibs. This will ensure accurate recognition of every try-out candidate.

Team selections will be made throughout the week. Each player will be informed of her status. If you make a team, parents and players must understand they need to be available for practice/training and games during the LPS Spring Break in March (Saturday, March 8 - Saturday, March 15)

Again I say, out of respect for coaches and your teammates, I ask to be notified prior to tryouts if a player will miss practice and/or games during the season. If you plan on being gone during the season, I need to know ahead of time and will make adjustments and teams accordingly.

This is the schedule and is subject to change depending on facility and weather changes. Check for updates on Coach Morgan's Soccer web site every day during tryouts to ensure the schedule is accurate.

All tryouts will be at Abbott Indoor Sports Complex, with the exception of **Friday, March 6**, weather permitting. Dress appropriately.
