

Audience Grade

A major part of theater and drama is the audience.

A part of your grade is going to be based on how you are as an audience member. Later in the semester, we will focus more on how an audience can impact a performance, but this is something that would be good to focus on throughout the semester.

This is worth 20 Summative points that can fluctuate throughout the year.

You will be graded on and are expected to:

- Respect the Pledge
- be quiet during announcements
- listen to instruction
- be a quality audience member during presentations
