

World's Finest Chocolate - Bars by the Box

How It Works

You will be selling individual chocolate bars for \$1.00 each. Each box is worth \$60. You will get 50% profit, or 50 cents for each bar sold. You will prepay \$60 per box – that is the “cost” and how we pay for the chocolate for you. If you sell ALL 60 bars you will profit \$30!

What is in the Box

3 Choices – Variety, All Caramel, All Crisp – 60 bars per box

Variety contains:

Milk Chocolate with Almond	Bars with Crisped Rice
Dark Chocolate with Almond	Caramel Bars
Solid Milk Chocolate	NEW – Kit-Kat type Bar

How do I do this?

The easiest way for us to run this fundraiser is in an “advance” purchase. Each box costs \$60. \$30 is pure profit for YOU and goes directly into your LSW Music Profit account (managed by music teachers). So, determine how much you THINK you can sell.

Who can I sell to?

Hint . . . have mom and dad take the candy to work and it will disappear pretty quick! Also, if there are neighbors you trust, feel free to call upon them for help.

Be considerate about selling at school. This can only be done AFTER school. DO NOT sell in class as this will get you in trouble with your teachers!!! DO NOT sell at lunch as this conflicts with school lunch programs.

Now what do I do to get started?
