

March

Welcome to the lovely month of March! The weather is getting warmer and the grass is beginning to return to a nice green color (hopefully :)). With the nicer weather, the preschool children will be learning more about the weather and the outdoor environment. Please continue to send your child in appropriate attire for those chillier mornings, since we spend the majority of our outside time between 9:15 and 9:45.

We are also going to be doing a focus on Dr. Seuss. He is a very familiar author who has written plenty of wonderful and creative books for children and families. I encourage you to spend some time this month exploring some Dr. Seuss books on your own. Visit one of the many public libraries around town to find a variety of Dr. Seuss books or check out books that your child find appealing.

Below are the hours for the Gere library:

- Monday - Thursday: 10 a.m. - 8 p.m.
- Friday - Saturday: 10 a.m. - 6 p.m.
- Sunday: 12 p.m. - 8 p.m.
