We will be using the following point system to grade your NHD projects instead of using the NHD rubrics. The required information is the same, but we have organized it into a more useable manner for our class.

For the final project, this is the breakdown of the grading:

RESEARCH—80 POINTS
Entry is historically accurate: 40 points
        Sources are ALL credible
        ALL information is accurate

Sources: 40 points, 10 points for each
        Primary—Minimum of Ten
        Secondary—Minimum of Ten
        Print—Minimum of Ten
        Non-print—Minimum of Ten

*Pictures do not count towards these numbers, but should be included
*Each group should have a "working bibliography" as they go. Using NoodleTools is recommended.

RELATION TO THEME—30 POINTS
Clearly relates topic to theme: 15 points
        Clear thesis w/subtopics
        Provides historical evidence
Demonstrates significance of topic in history and draws conclusions: 15 points
        Contextualization
        Analysis

CLARITY OF PRESENTATION—30 POINTS
Originality: 10 points
Organized and articulate: 10 points
Visually appealing: 10 points
        Professional quality

RULES COMPLIANCE—10 POINTS
