## 6TH GRADE CUB CAMP

### 6TH GRADE TRANSITION CAMP

#### CUB CAMP OVERVIEW

The transition from elementary school to middle school can make students and families a bit nervous. In order to make the shift less stressful, Lefler and the YMCA CLC have partnered for the last 5 years to offer Cub Camp, a transition experience for incoming 6<sup>th</sup> graders. This 4-day camp is offered from 8:30-11:30 (morning session) or 12:00-3:00 (afternoon session) and provides students an experience where they will:

- Learn the layout of the building
- Connect with Lefler and CLC staff
- Meet other incoming 6<sup>th</sup> graders
- Learn the fine art of opening a combination lock
- Practice reading and following a schedule
- Understand Lefler procedures and expectations

After students have attended Cub Camp, both parents and students have reported feeling less nervous and more prepared to begin their middle school experience. We hope your child will be able to attend this valuable opportunity.
