Dear Parents and Guardians:

As a Title I school, it is our goal to keep parents informed and involved in preparing our students academically. Each year, we hold an Annual Title I Meeting for parents to learn about Title I and how we administer funds in our building and district to provide supplemental academic and support resources for students. Our Title I Parent Meeting will be held on Tuesday, August 29th, 2017 at 6:30 in the Lefler Media Center.

We also ask for parent input to inform our Parent Involvement Policy, and we share a School Compact form with parents and students to clarify the role that each of us plays in supporting the academic needs of our students. Finally, you also have the opportunity to request and receive from us information about the professional qualifications of the teachers and paraprofessionals that work with your student(s).

Our entire staff is working diligently to ensure that every child meets high academic standards in a safe and caring learning environment. I would like to encourage you to contact me for further information or to find out how you can become involved.

Sincerely,

Jessie Fries, Principal
