

Welcome to The Career Academy

The Career Academy is a joint venture between Lincoln Public Schools and Southeast Community College. The goal of TCA is to provide academic and real world experiences to high school students through high school and dual credit courses in 16 different career pathways.

- Ag/Bioscience**
- Health Sciences**
- Food Science**
- Culinary**
- Construction**
- Engineering**
- Manufacturing**
- Welding**
- Early Childhood Education**
- K-12 Education**
- Business Administration**
- Business Marketing**
- Business Entrepreneurship**
- IT - Database**
- IT - Networking**
- IT - Programming**

Juniors and Seniors attend TCA for two hours a day during the school year while taking their remaining courses back at their home high school. Transportation in the LPS district is provided, books are free, and tuition is free through scholarships or paid at a 50% discount to the regular SCC credit hour charge.

The Career Academy encourages students to apply and come test drive their future. The academic and real world experiences provided through the instructors and pathway support members can transform the life of a student. And thanks to the support of the community and our business partners, we are able to tell every student that we believe in "The Power of You".
