

ParentStudentVUE

Change Account Info & Set Email Triggers

Click the My Account tab at the top of the ParentVUE screen.

Modify the account information shown below and click Update account to apply changes.

To change your password, click the Change Password link. You can select to receive emails automatically about attendance and grades.

Click the box to the left of Attendance to receive an email if your child is truant or tardy.

Click the box to the left of Grade Book to receive an email notification with grade summaries. Select the day of the week to receive the notification. Select to only send email if a grade falls below a certain average.

NOTE: The Go Paperless option is not in use at LPS at this time. You can also update the listed phone numbers for your account and click Update Account.

Those that are marked as Contact will be used to send you School Messenger calls from school and district.

Please see the LPS ParentVUE page for more info:
