

# Standard 7.1 Summative Assignment

Please write a response to the question, "Were the Crusades a calamity or recovery?" Choose ONE perspective to reflect in your response - that of a Muslim leader, Christian leader, European peasant, Christian knight, Muslim warrior, etc. Be specific in your response, and cite evidence from the sources we have used to study the Crusades. This assignment is due at the beginning of class tomorrow, Wednesday, March 28.
