Stem-changing verbs e → ie

If you take off the ending of a verb (-ar, -er, -ir) what you have left is the stem. Some verbs change inside the stem as well as putting on the appropriate ending. These changes take place in all the forms except the nosotros and vosotros forms. These verbs are sometimes called boot verbs.

yonosotros túall other singulars all other plurals	yo nosotros tú all other singulars all other plurals
yo nosotros tú all other singulars all other plurals	yonosotros túall other singulars all other plurals
nosotros túall other plurals	yonosotros túall other singulars all other plurals
