- Corrections: Use your notes and class materials to correct the answers you missed on your exam and give an explanation for why the answer is correct. Earn half credit back for each correct answer and explanation.
- Retakes: Take a different test over the same concepts under the standard testing policy (no notes). Earn whichever score is higher – your original score or your retake score.

Explanation for my exam score:

Three activities I did to improve my understanding of the concept:

- 1.
- 2.
- 3.

**Corrections and retakes must be completed one week after the test is graded. This request form must be completely filled out and signed for Ms. Shomshor to consider granting a request.*

I request the opportunity to do exam corrections/retakes over this concept. I have worked hard to improve my understanding of this concept.
