Service-Learning Reflection Outline**

Name: _____

Briefly describe the organization you did your Service-Learning Hours at. What is their mission and how did you help contribute to meeting their mission goals?

How has your service contributed to your growth in any of these areas: civic responsibility, political consciousness, professional development, spiritual fulfillment, social understanding, and intellectual pursuit?

Discuss a social problem that you have come in contact with during your service work. What do you think are the root causes of this problem? Explain how your service may or may not contribute to its alleviation.

How did this experience challenge your assumptions and stereotypes?

How were you different when you left the service location compared to when you entered?

Closing statements on your Service-Learning experience.
