

Love or Infatuation?

Activity E
Chapter 10

Name _____
Date _____ Period _____

Feelings of love and infatuation can easily be confused, since they are both related to romantic feelings. Define the three types of love as theorized by Sternberg and give an example of each. Then, write an analysis that describes the difference between love and infatuation.

1. Affectionate love: _____

Example: _____

2. Romantic love: _____

Example: _____

3. Consummate love: _____

Example: _____

Analysis

What is the difference between love and infatuation? _____
