☐

**Yes,  
I can  
help!**

Interested in volunteering? We need help with travel meals (we provide the food), bringing snacks to the meets (we provide the snacks), taking orders on picture day, set up and clean up for pasta feeds and help with the banquet.

## Athlete Expenses

We provide bottled water at each meet, travel meals for out of town meets, cooked pasta for spaghetti feeds, an end of the season JV pizza party and varsity banquet. While this is an optional fee, it represents actual expenses per athlete and we work hard to keep expenses low. We rely 100% on donations to provide these things for our athletes.

**\$35 X \_\_\_\_\_ # of Athletes = \$ \_\_\_\_\_**

## Teammate Donation

This contribution will help a teammate cover above costs (anything helps).
