MTSS-B Newsletter

February 2022

MTSS-B is a positive school-wide Multi-Tiered System of Supports for Behavior that guides and supports SouthWest High School to create a safe, successful, and positive learning environment and culture for everyone.

MTSS-B Common Lesson

The Inclusivity lesson was created by the LSW TIE Club. 1020 students participated in the survey conducted after the Inclusivity lesson on February 22, 2022.

55.8% of surveyed students indicated that they have individually reflected on the issues discussed in the lesson, 37.2% have previously discussed them with friends, and 27.6% with their families. 29.9% of surveyed students stated that they did not reflect on these issues.

78.2% of surveyed students stated that they felt a sense of belonging at LSW always or most of the time, while 2.9% (20 students) and 2.6% (27 students) said they rarely or never felt like they belong here.

Overall, the survey delivered overwhelmingly positive feedback. MTSS-B Tier 1 team will work on identifying main themes from student feedback in order to create future lessons that would be relevant to student experiences here at LSW.
