- I did not start this semester strong and I am struggling to finish strong.

GOOD NEWS: CICO

During Term 3, 47 freshmen were put on CICO (Check In Check Out) because they had previously failed a class in Term 1 or Term 2. Of those 47, 25 failed zero classes during Term 3 and are no longer in CICO.

Here at LSW we ask students how they prefer to be recognized for meeting our expectations and going above and beyond too. This helps us to hear their voice and validate their needs. When we give students positive specific praise it makes it more likely for them to continue to be Safe, Open-Minded, Accountable and Respectful. This is especially true if it's how they prefer to be recognized.
